Vincent Jones II, Ed.D., M.A., MCHES

Assistant Professor of Community Health, Department of Health and Human Performance

York College, The City University of New York | 94-20 Guy R. Brewer Boulevard, HPE 207, Jamaica, NY 11451

(510) 566-1776 | vjones1@york.cuny.edu | DrVincentJones.com

POSITIONS

2021-Present	York College (CUNY), Assistant Professor, Community Health
2020-2021	York College (CUNY), Substitute Assistant Professor, Community Health
2019-2020	York College (CUNY), Substitute Lecturer, Community Health
2018-2019	York College (CUNY), Adjunct Lecturer, Community Health
2016-2019	York College (CUNY), Predoctoral Research Fellow, Collaborative Research Group on Health Policy and Promotion and UrbanHealth Lab.

EDUCATION

Ed.D. **Health Education, 2020 | Teachers College, Columbia University**
Dissertation: Spiritual Experience, Outness and Gay Identity Affirmation in a Sample of Urban Same-Sex Attracted Men.
Committee: Sonali Rajan, Ed.D., Sponsor (Health Education), Barbara C. Wallace, Ph.D. (Health Education), Ye [Angel] Wang, Ph.D. (Deaf and Hard of Hearing), Brandon Vélez, Ph.D. (Psychology).

M.A. **Education Policy, 2014 | Teachers College, Columbia University**

B.A. **Sociology/Anthropology, 2012 | Middlebury College**
Term abroad at the University of Nottingham, UK, 2011
Middlebury Language Schools – School of Spanish, Oakland, CA, Summer 2012

CERTIFICATIONS

Master Certified Health Education Specialist (MCHES® #42081), National Commission for Health Education Credentialing (NCHEC). Earned May 2, 2026; expires March 31, 2031.

RESEARCH AND TEACHING INTERESTS

Digital health communication; technology-facilitated health behaviors; discrimination and public-health messaging on social media; health-information-seeking behavior among diverse populations; psychometric validation of mental-health instruments; and mixed-methods research on digital safety and cybervictimization, with an emphasis on advancing equity through intervention-relevant behavioral and social science.

GRANTS AND FUNDED RESEARCH

2026	Professional Staff Congress and City University of New York (PSC-CUNY) Research Award, Cycle 58, Track 2 ($15,000). In preparation; submission due December 2026. Dr. Vincent Jones II, Principal Investigator. Proposed period: July 2027 to June 2028. Title: Spotting the Synthetic Suitor: Detection of AI-Generated Romance Scams and Response Self-Efficacy Among United States Dating App Users
2026	Amazon Research Awards (Amazon Science), Amazon Web Services (AWS) Agentic AI Call, Fall 2026 ($70,000 unrestricted gift plus $10,000 in AWS promotional credits). Submitted November 2026; under review. Dr. Vincent Jones II, Principal Investigator; Dr. Thitima Srivatanakul, Co-Principal Investigator. Proposed period: March 2027 to May 2028. Title: Can People Tell? Measuring Vulnerability to AI Agent Manipulation in Online Dating and Testing What Helps
2026	City University of New York, Office of Academic Affairs, Academic AI Innovation Fund ($25,000). Submitted September 2026; pending. Dr. Erin Toussaint Jacques, Principal Investigator; Dr. Vincent Jones II, Co-Investigator. Title: South Jamaica Community AI Solutions Buildathon
2026	City University of New York, Graduate Research Technology Initiative (GRTI), Round 27 ($6,578.99). Awarded in full, September 2026. Title: Safer Digital Intimacy: Measuring and Reducing Human and AI-Enabled Harm in Dating App Use
2026	York College Faculty Initiative Grant, City University of New York ($3,000). Awarded March 2026.

2022 Mellon Foundation and CUNY, Black Race and Ethnic Studies Research Award, 7W209-06 01, ($10,000)
Title: Health Education and Efficacy to Respond to Violence and other Negative Experiences on Dating Apps Among People of Color and Sexual Minorities: A Qualitative Study.

2022 PSC-CUNY Grant Cycle 53, Enhanced Grant, ENHC-53-102, ($12,000)
Title: Needs Assessment: Mobile Dating Apps, Health Education, and Electronic Dating Violence

2021 Office of the Provost ($8,000)

2021 GFM Grant for Prolonged Grief Disorder and Therapeutics Research ($2410)

2021 CUNY Development Grant for Prolonged Grief Disorder and Therapeutics Research Project ($1940)

2018 Teachers College, Office of the Vice Provost; York College UrbanHealth Lab, Professional Development & Travel Grants ($980).

COURSES TAUGHT

Subject	Course Number	Title
Public Health	PH 215	Social and Behavioral Determinants of Health
	PH 330	Public Health Policy and Management

	PH 335	Planning and Funding for Public Health
Aging Studies	GERO 101	Introduction to Gerontology I
Community Health	HE 111	Health and the Individual
	HE 201	Foundations of Health and Wellness
	HE 223 & 224	Health Behavior Modification and Lab
	HE 312	Health, Communities, and Society
	HE 341	HIV/AIDS: Public Health Implications
	HE 474	Field Work in Health Education
	HE 481	Organization and Administration of Health Education (*redeveloped for online modality*).

OTHER EXPERIENCE

August 2014 to May 2016 **Faculty and Program Director** Wallingford, CT
Choate Rosemary Hall

Taught health to sophomores during the regular school year, covering growth, nutrition, sexuality, mental, social, and emotional health, safety and injury prevention, substance abuse prevention, and cyber safety.

Advised student organizations and collaborated to advertise and carry out more than 150 events annually as part of the student activities role.

Directed the summer volunteer corps, which included teaching a sociology course, coordinating a speaker series, and managing the transportation of students to volunteer sites throughout the day. Also served as a dorm advisor to high school boys, coordinated registration, and served as a photographer.
